

# The Best Desks to Deck Out Your Home Office for Every Budget

Building out a place to get work done at home can be difficult.

## Humanscale Float

In terms of functionality and aesthetics, Humanscale's Float Table flies above the competition. Float comes in a range of widths up to 72 inches. And don't be fooled by its pretty, clean look — this height adjustable desk is anything but dainty: its steel and aluminum construction can support up to a whopping 130 pounds.
